### **MGL: Chapter 143: Section 99. Continuing educational program of instruction**

Section 99. The board shall prepare and administer a continuing educational program of instruction designed to assist all local and state inspectors of buildings in executing their responsibilities under this chapter. Regular attendance at these meetings shall be required of all state and local inspectors and such instruction shall be given at such times and places as will insure its availability to state and local inspectors. No state or local inspector who attends such course of instruction shall lose any rights relative to compensation or vacation time.
