

SPRAY FOAM IN COMMERCIAL DESIGN

PRESENTED BY DEMILEC

**AIA ACCREDITED
EARN 1 SD/HSW CREDIT**

COURSE DESCRIPTION

Attendees of this one hour spray foam education course will receive one SD/HSW credit. We will focus on the non-residential use of spray foam as an insulation, air barrier material, and various assemblies. We will discuss building code requirements including ASHRAE 90.1, NFPA 285 compliance, the value of continuous insulation, and the advantages of spray foam. Lunch is provided by Demilec.
